

Task Force Group

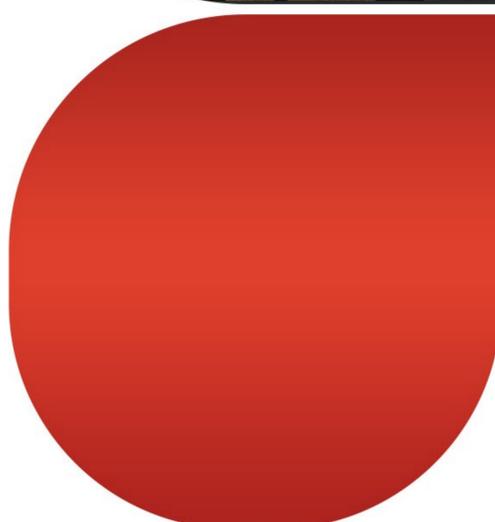

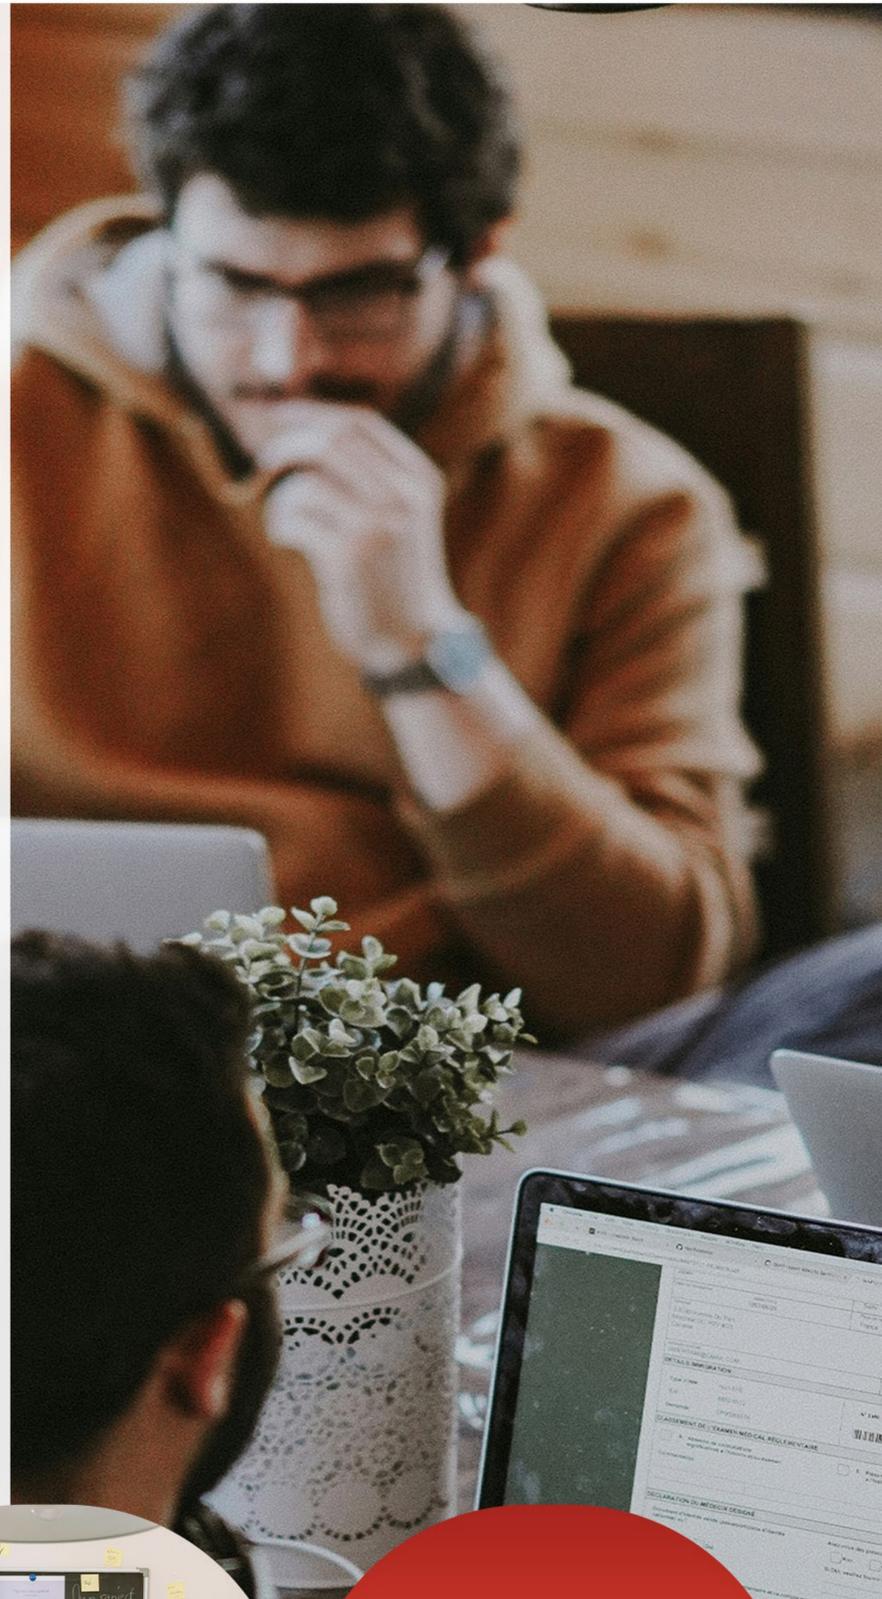

Task Force Group

Task Force Company is one of the leading private sector business groups in the Kingdom of Saudi Arabia with a variety of interconnected Business enterprises. We built an outstanding reputation for delivering excellent service to our partners & clients. We combine commitment, & our local market knowledge with the technical expertise & diverse product ranges of our overseas partners to forge long-lasting, successful relationships, these range from start-up operations looking for their first sale in the market through to joint ventures with our corporations.

We strive to expand our business with partners who share our vision & commitment to Expertise that has made Task Force one of the prime & most diversified groups operating in the Kingdom of Saudi Arabia. We have both the experience and capability to get the job done efficiently & the confidence & ambition to expand & grow. Agility & flexibility enables us to support our partners & their projects & is one of the key strengths behind our success. The prime & most diversified groups operating in the Kingdom of Saudi Arabia.

We deploy the right people, processes, skills & technologies to deliver tangible benefits, Task Force represents today's realities & is structured to perform in today's dynamic marketplace. Whatever your Requirement we will be more than happy to explore how we can work together to add benefit to & grow your business successfully in the Kingdom of Saudi Arabia & across the globe. Contact us now to discuss how we can work together to build your success.

Our People, Our Vision & Values

Task Force firmly believes that its people are the drivers of success. With a wealth of specialized expertise & professionals from different countries, we operate a truly Multicultural organization, which strives to exceed our client's expectations.

We aim to provide an exciting & challenging work environment for bright & talented people. Our employees are trained to find creative solutions to our client's most complex challenges, they draw on our core values of delivering professional service, maintaining mutual respect and team spirit, encouraging initiative & innovation, & having an unrelenting determination to succeed.

Task Force's objectives are to always stay ahead of the curve, exploring the latest innovations & cutting-edge technologies in our chosen sectors, our people are committed to maintaining these high standards & AFG's positions as an industry leader & employer of choice.

To develop long-term beneficial relationships with our clients by focusing on their needs & adding value to their operations by providing innovative, professional & world class operations & maintenance services while offering a safe, challenging & rewarding working environment to our employees.

Our Values

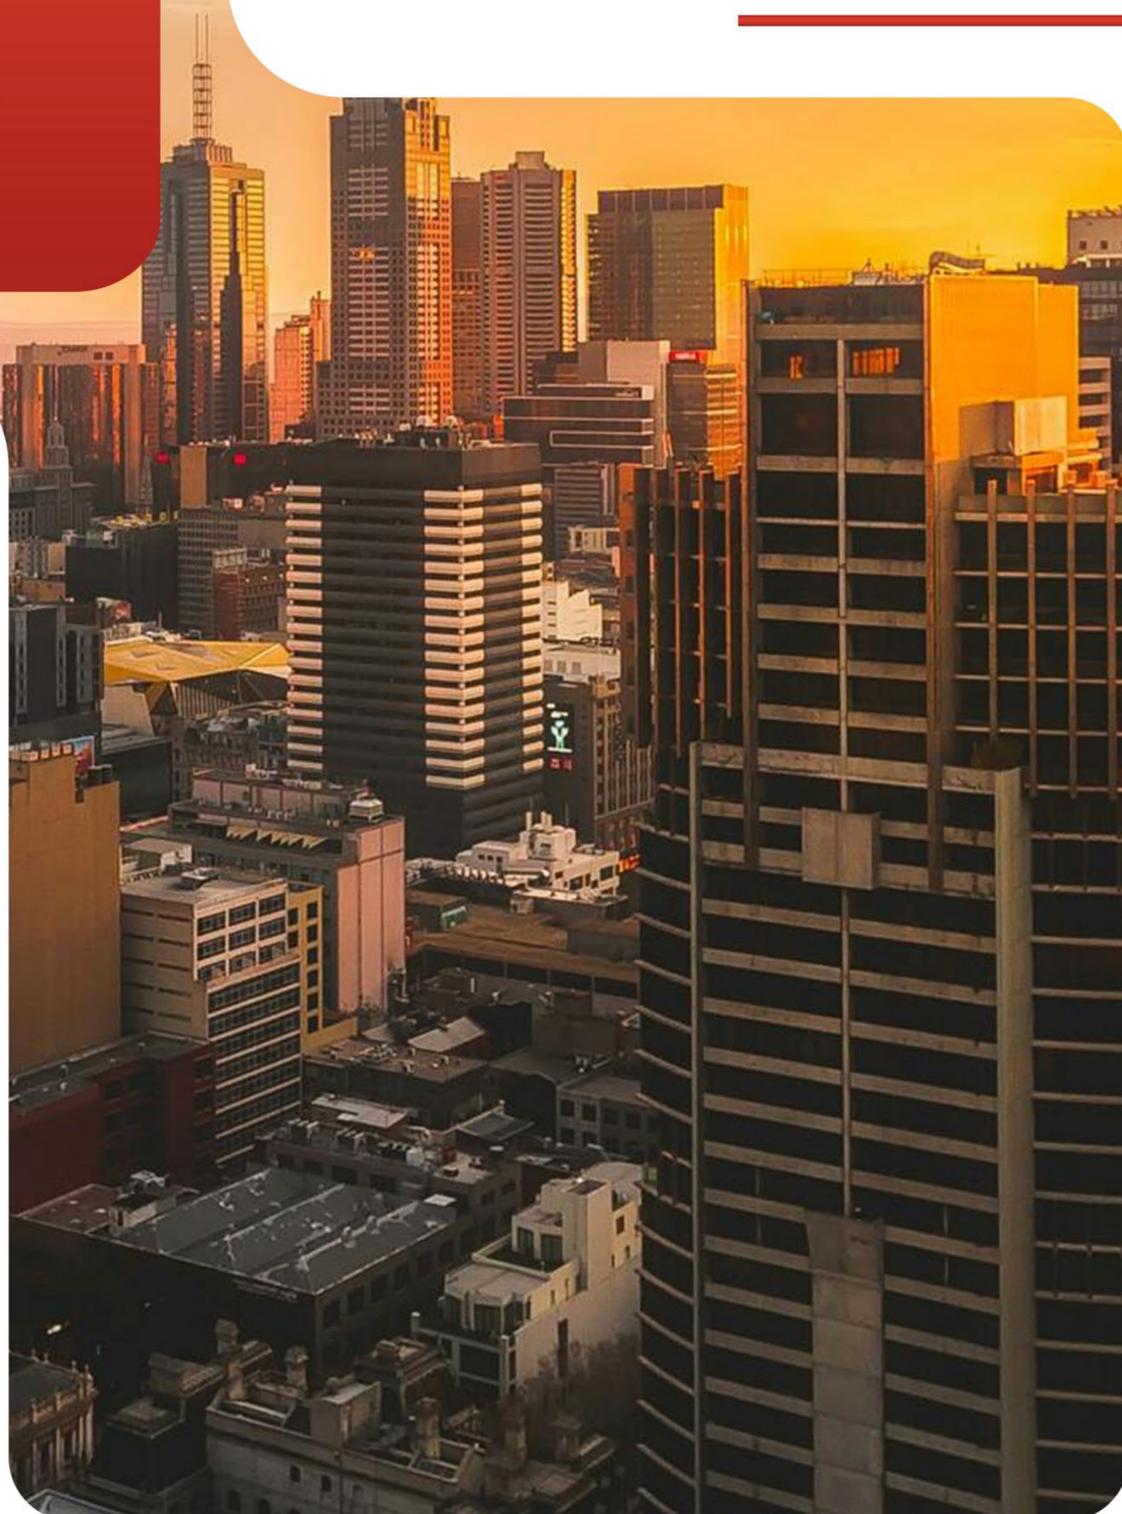

- ⇒ **Conduct Business with Integrity.**
- ⇒ **Strive for Operational Excellence**
- ⇒ **Fullfill our Clients Needs**
- ⇒ **Embrace Positive Change**

Our Mission

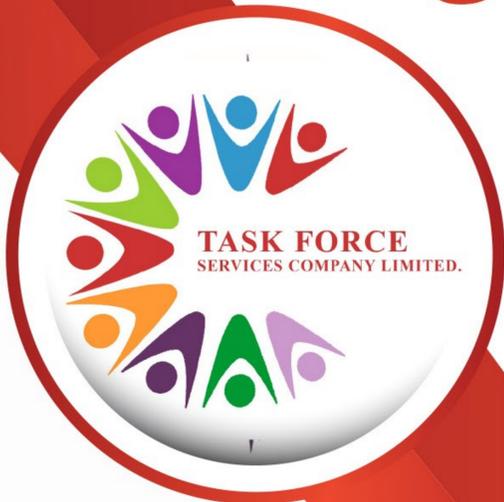

"Guided by our core values and commitment to excellence, we strive to be a dynamic and diversified organization, delivering - industry - leading solutions across our markets. Our goal is to drive sustainable growth, create lasting value for our stakeholders, and set new benchmarks in every sector we operate in. With an unwavering focus on quality, innovation, and service, we aim to exceed client expectations, foster long-term partnerships, and contribute to the progress of the communities we serve."

Our Vision

"Based on the strong principles of our founder, we aim to be a leading diversified group operating in the kingdom & across the globe, leading the industry in each line of our business and generating sustainable growth for our stakeholders, while striving to be an effective and progressive organization offering solutions that exceed expectations of our clients with extraordinary emphasis on quality & service."
